The evaluations will include a site visit, consideration of public comments, and consultations with interested Federal, State, and local agencies and members of the public. Public meetings are held as part of the site visits.

ACE Basin, Elkhorn Slough, Old Woman Creek, South Slough, and Wells NERRs were found to be adhering to programmatic requirements of the NERR system. Jobos Bay NERR was found to be not fully adhering to the NERR System goals, the Federally approved NERR management plan, and to the terms of its financial assistance awards.
